Human Resource Management In Health Care: Principles and Practices

This practical, hands-on book introduces human resources to those who are preparing to work in any area of health care or health service. Written for practitioners and students in all disciplines related to health, it covers important topics such as recruitment, training, termination, legal issues, labor unions, and more. Each chapter is introduced by a case study related to the material that follows. The case study is resolved at the conclusion of each chapter along with expert commentary and practical suggestions that can be used in the real world. Chapters also feature learning objectives, discussion points, and questions to ponder. Many examples and a number of sample forms and document

El sí de las niñas (Spanish Edition)

El sí de las niñas es una comedia que aborda el dilema de Doña Paquita (Francisca), una joven de 16 años obligada por su madre doña Irene a casarse con Don Diego, un sensible y rico caballero de 59 años. Sin embargo este ignora que Doña Paquita está enamorada de un tal «Don Felice», quien en realidad se llama Don Carlos, y es sobrino de Don Diego. Con este triángulo amoroso como argumento se desarrolla la obra, cuyo tema principal es la opresión de las muchachas forzadas a obedecer a su madre y entrar en un matrimonio desigual y en este caso con una gran diferencia de edad entre los contrayentes.

Marrying the Millionaire (The Brides of Hilton Head Island)

Kayla Crawford is having a bad night. Things are spiraling horribly out of control faster than she can blink her eyes. First her husband walks out on her, and then her grandfather gets into a terrible car accident. The good life as she once knew it now sucks. So when a gorgeous guy makes her an off
