West by West: My Charmed, Tormented Life

Jerry West is one of the most revered and enigmatic sports icons of all time, but beneath the surface lies a complicated man who shares his true story with unflinching candor. WEST BY WEST recounts West's difficult journey from an abusive childhood in West Virginia (and the loss of a beloved brother to war) to his All-American success at West Virginia University, and his brilliant 40-year career with the Los Angeles Lakers. He speaks openly for the first time about his lifelong battle with depression, low self-esteem, and his complex relationships with NBA legends Elgin Baylor, Bill Russell, Wilt Chamberlain, Kareem Abdul-Jabbar, Pat Riley, Shaquille O'Neal, and Kobe Bryant, with ow

What others say about this ebook:

Review 1:

Amazing story. As a WV native I respect and love Jerry West even more! Strongly recommend for anyone.

Review 2:

Great player, awesome person.

Review 3:

I grew up watching Mr. Clutch and Elg at the Sports Arena. They were GODS. So, I devoured the first 2/3rds of this tome, but haven't picked it back up. Why? At first I wondered but when I thought about it, it's because JW is SO supremely jacked up, and it literally drips from every other page. It's an endurance test.

I will finish it because I bleed Purple & Gold and am loyal to Mr. Clutch, but fallen idols are hard to take. However, idols formed when one is a kid, and idols who were gladiators engaged in titanic battles... the stuff of myth and legend... well, it's extra tough.

Review 4:

The voice in this book is more often tormented than charmed, but for that reason, there is a great deal of information that has only been hinted at in previous sources. I admire Jerry West, but he would be a difficult person to spend time with.

Review 5:

Very open and honest. Mr. West holds back little and reveals much. His book is one of the best sports autobiographies that I have read.

If you are a sports fan then it is a must read that you will enjoy cover to cover.
