Gay Parenting (Opposing Viewpoints)

Each title in the highly acclaimed Opposing Viewpoints series explores a specific issue by placing expert opinions in a unique pro/con format; the viewpoints are selected from a wide range of highly respected and often hard-to-find publications.; This title explores the impact of gay parenting on children, the impact of gay families on society, what methods of parenthood should be available to same-sex partners, and what laws should regulate gay parenting.; "Each volume in the Opposing Viewpoints Series could serve as a model...not only providing access to a wide diversity of opinions, but also stimulating readers to do further research for group discussion and individual interest
