A Pioneer Son at Sea: Fishing Tales of Old Florida

“An outstanding piece of Florida fishing history by one of the most famous marine biologists in Florida.”—Gene Shinn, author of *Bootstrap Geologist: My Life in Science* “A perfect blend of history, science, and adventure. Allowing his natural storytelling talent to shine through, Voss tells of the waters, inlets, coves, and colorful characters that comprised South Florida in the early twentieth century.”—Janet DeVries, author of *Pioneering Palm Beach: The Deweys and the South Florida Frontier* “A vivid picture of Voss’s early years as a fisherman and outdoorsman prior to his illustrious career as a marine scientist

Tales of Old Florida free for ipad

What others say about this ebook:

Review 1:

Gilbert Voss was a fisherman. Gilbert Voss was a scientist. But best of all for the sake of readers, he was a storyteller. This wonderful book about a Florida fishing tradition that has all but disappeared. It is an excellent read for the fisherman and the non-fisherman, for the Florida native and the infrequent visitor, for the history buff and the reader who picked it up by happenstance. It is engaging and you won't be able to put it down until it's done.

Review 2:

The authors account of growing up with fishing industry during the 40's, 50's and 60's was outstanding.
