What others say about this ebook:

Review 1:

Great book for FI con law. Helps make the subject as exciting as it can.

Review 2:

Great text book on Florida con law. Got me a B+ on the final exam :) the bar exam should be easier now.

Review 3:

The seller clearly did not input the book by ISBN, and instead input the book by title. There is an older version that comes in two volumes which is not the book pictures. On top of the book being the wrong version, seller only included the second volume of the two volume set. I had to go to a book store and pay full price for the mistake.
