What others say about this ebook:

**Review 1:**

Was in better condition than expected. Was very satisfied

**Review 2:**

Loved it! As with most compilations, I liked some authors more than others but it was overall a good sexy read

This is one of my favorite ways to check out new great erotics authors as I also am assured of great writing from old favorites like Sylvia day

**Review 3:**

I did like the shortness of the stories and that they were all very different. Some were definitely more erotic than others, which was a nice change up.

**Review 4:**

I'm currently reading this book for the second time. Each story is very different sexually! It's fun and very interesting to see how each writer puts their story together. I'm half-way through the second time and I pick up things from a different or new perspective!! Great book because of the great stories by excellent writers!!!

**Review 5:**

Loved the short stories in this book, one surprised even me. Torn Between Two Brothers by Cathryn Fox ..omg Made me blush, but I read it twice. WOW.....
