## Keep Me

Abducted at eighteen. Held captive for 15 months. It reads like one of those headlines. And yes, I did it. I stole her. Nora, with her long dark hair and silky skin. She's my weakness, my obsession. I'm not a good man. I never pretended to be one. She can love me, but she can't change me. I can, however, change her. My name is Julian Esguerra, and Nora is mine to keep. \*\*\*Keep Me is the sequel to Twist Me, told from Nora & Julian's POV.\*\*\*

**What others say about this ebook:**

**Review 1:**

I liked this book because at one point you love and hate the main two characters equally at the same time for totally different reasons. The action and fear keeps your heart rate up in the thousands!

**Review 2:**

I wasn't as wrapped up in this one as the first, but still it got good!

Nora and Julian continue on there journey of insanity in all aspects.

Julian ends up in quite a mess and this time Nora feels the need to save him.  
Will she?

Their love has grown more and the need for one another is never enough. They feed off of one another and it makes them bound by more then just love!

I am now on book three and I can't wait to see what Anna Zaires has in store for me!

**Review 3:**

?It?s an obsession that goes beyond a simple sexual need, though my body burns for her. I don?t just want to f\*\*\* her; I want to imprint myself on her, to mark her from the inside out, so that she will never belong to any man but me.?

**Books in the Twist Me Trilogy should be read in order:**

**Book 1: Twist Me**

**Book 2: Keep Me**

**Book 3: Hold Me**

In **Twist Me (book 1)** recent high school graduate Nora Leston was kidnapped by heir and arms dealer Julian Esguerra. Amidst violence and rape, cocooned on a remote island, their attraction grew into more.

**Keep Me (book 2)** picks up after book 1?s serene ending. Nora is still fighting her feelings but committed to being with Julian. His obsession with her is fierce, their attraction undeniable with a reluctant romance brewing.

Secret pasts, conflicting emotions, intense attraction, inexplicable affection and terrorizing villains mar their journey for more?

**JULIAN ESGUERRA:** 29-32 years/Colombian/American/Heir/Arms dealer/Black hair/Blue eyes.  
Seven words to describe Julian Esguerra: Determined, entitled, broken, flawed, ruthless, possessive and analytical.

**NORA LESTON:** 17-21 years/American/Student/Dark brown hair/Brown eyes/Virgin.  
Seven words to describe Nora Leston: Stubborn, naïve, smart, determined, reckless, spirited and loyal.

**Keep Me**, told from dual POV?s, digs deeper into Julian?s past mitigating some of his darkness

in their against-all-odds relationship. But ruthless villains lie in wait leading to danger and gruesome situations.

Book 2 ends with threats leading right to book 3 Hold Me for the conclusion of their story. ?I want to be her everything: her protector and her tormentor, her joy and her sorrow. I want to bind her to me physically and emotionally, to brand myself so deeply on her mind and soul that she will never think about leaving me.?

**Review 4:**

This series is just that.. Better and better. Keep Me is filled with more action than sex but never loses its sensuality and feral moments. The bond between Nora and Julian are in breakable as seen in this book. Love or whatever they want to call it is fierce and unwavering. I love this series thus far and am excited to continue it in Hold Me.

**Review 5:**

Absolutely loved this book. I read all three within 10 days. I couldn't put them down. So many twists and turns, but in such a way that you have to keep reading!
