A Wheelchair Life

"Being in a wheelchair is like riding a roller coaster," says Dyami Seehorn, as he shares many of the adventures and challenges he has had to face in his short life so far. He wrote the entire work using the switches on his wheelchair. This book is a wonderfully written account on how life treats people with disabilities. Despite being in a wheelchair, trouble still finds him like it does most boys.

Stickman Communications: New Wheelchair Symbol - for download

14 Feb 2012 ... As I said in my previous blog entry 'New Wheelchair Symbol' I don't like 'sporty' versions unless they are in a sporting context. When people see me rolling actively they find it easy to see that I may possibly have a fulfilling life. If I'm being pushed the attitudes change. Therefore any sign I like as a generic ...
